Subject: Acceptance of the application referring to the evaluation of the recycling process
PRT (Starlinger iv+ technology), EC register number: RECYC011

Ref. Your application dated 21st July 2011

Dear Dr. Welle,

On 29th July 2011, the European Food Safety Authority (EFSA) received from Fraunhofer on behalf of PET Recycling Team GmbH, Austria, the additional information concerning the evaluation of the above mentioned recycling process.

After having checked the content of the dossier, EFSA is pleased to inform you that **your application is considered valid**. Please note that the acceptance of your application does not imply that the documentation provided is in full compliance with the EFSA guidelines. Further requests by EFSA for any additional information may arise at any stage during the scientific evaluation.

As indicated in our Acknowledgement of receipt letter, dated 29th August 2011, the application has received the reference number **EFSA/CEF/REC/2405**. Please use this reference as well as the name of the process and its EC register number for further communication with EFSA concerning this application.

Yours sincerely,
